KUL BAKSHI

kulbakshi01@gmail.com | +918168307931 | www.kulbakshiportfolio.com

PROFILE

Fresh graduate with knowledge of Python, Machine Learning, and web development. Experienced in developing programming skills, solving technical problems, and working with digital tools. Known as a responsible, adaptable, and detail-oriented individual who is eager to learn new technologies and grow professionally in the IT industry.

EDUCATION

Ambala College of Engineering and Applied Research, KUK ***Aug 2028 - Aug 2028***
*Bachelor of Technology - CSE(**AIML**)*
Cumulative GPA: 7.0

WORK EXPERIENCE

Prernagati and Technology pvt. ltd. ***Jan 2023 - Nov 2024***
Basics of Python Language

- Learned Python programming fundamentals, including variables, data types, loops, and conditional statements and basic libraries of python.
- Practiced writing Python programs using functions, lists, dictionaries, and other basic data structures.
- Developed problem-solving skills by implementing basic Python programs and understanding programming logic.
- Learned to use libraries like random and math.

Prernagati and Technology pvt. ltd. ***Dec 2024 - Now***
Basics of Machine Learning

- Completed my industrial training in the fundamentals of Machine Learning, including Supervised and Unsupervised machine learning.
- Learned basic data preprocessing techniques and explored how machine learning algorithms work with python libraries like Numpy, Pandas, Seaborn, MatplotLib.
- Gained practical knowledge of applying machine learning concepts to solve basic real-world problems and deployed several machine learning models.

SKILL

Technical Skill	: Python, Web-development, Flask, MySQL, Bootstrap, Git, GitHub, VS Code
Soft Skill	: Problem Solving, Teamwork
Language	: Hindi, English

CERTIFICATION

Python for Data Science NPTEL Course in collaboration with Indian Institute of Technology, Madras
